Facebook

- Passionate Web Developer with over 5 years of experience in creating dynamic and responsive websites.
- Proficient in HTML, CSS, JavaScript, and modern frameworks like React and Angular.
- Strong problem-solving skills with a keen eye for detail and an emphasis on user experience.
- Adept at collaborating with cross-functional teams to deliver projects on time and within budget.
- Committed to staying updated with the latest industry trends and technologies to enhance skill set.
- Excellent communicator with a track record of translating complex technical concepts into user-friendly solutions.
- Eager to leverage creativity and technical expertise to contribute to innovative web solutions.

Work Experience

Work Experience

Junior Web Developer (Freelance Projects)

Self-Employed | 2023 – Present

- Developed and maintained multiple personal and client-based web projects using **HTML, CSS, JavaScript, Node.js, and Express.js**.
- Built responsive websites optimized for both desktop and mobile devices.
- Created **BTEB Result Management System**, allowing admin PDF uploads and student roll-based search.
- Designed and deployed a **personal portfolio website** using Netlify and GitHub Pages.
- Worked with **REST APIs** to develop a **multi-platform video downloader**.
- Collaborated on project testing, debugging, and performance optimization.

Web Design & Development Intern (Remote Practice)

Independent Learning | 2022 – 2023

- Learned modern web design principles, UI/UX fundamentals, and version control with Git.
- Practiced responsive design techniques using Tailwind CSS and Bootstrap.
- Created small projects like a **BG Remover Tool** and **animated proposal page** for learning purposes.
-

Education

Diploma In CST

Mar 2023 - Present

Dhaka Polytechnic Institute

Under **Bangladesh Technical Education Board (BTEB)**

Duration: 4 Years **Semester:** 5th (Ongoing)

Passing Year (Expected): 2026

Web Development

Jan 2025 - Jul 2025
